

# YOUNG PROFESSIONALS

## *savannah*

**creating community, character, and connections**

### **YPS Mission Statement:**

To serve as a platform for young professionals to engage the community through involvement in entrepreneurial, political, civic, and cultural events within the Greater Savannah Area; to model as the new generation of leaders within our community through professional development, networking, and social responsibility.

### **YPS Vision Statement:**

YPS contributes towards the advancement of young professionals and ultimately, the future of the Greater Savannah Area.

### **Core Values:**

**Leading Savannah into tomorrow through creating a strong sense of**

**Entrepreneurial spirit,**

**Advocating our social responsibility to our community, and**

**Developing professionally through continuing education and networking.**

**Ever changing times never**

**Relinquish the opportunities to make new friendships,**

**Share new business ventures, or lend a**

**Helping hand to those in need.**

**In each new experience with YPS, we are**

**Proud to walk hand in hand with Savannah's future.**

YPS also conducts various community service projects throughout the year to benefit local non-profit organizations. Members receive a monthly newsletter, invitations to all YPS events, and access to private networking events.
